for active and energetic measures has now arrived, and every future year of neglect will add to our inferiority.

THE CHIEF SIGNAL OFFICER'S POSITION.

The reports which have been published, alleging that Colonel Miles is a candidate for the position of chief signal officer, prove, upon inquiry in official quarters, to be erroneous. Colonel Miles is a noted fighter, and neous. Colonel Miles is a neocars in most has been engaged for several years in most is entitled to the promotion he has earned, but this promotion is likely to be in the line of active service, and he will probably be made a brigadier general to succeed General Ord in the course of the changes provided for by law. General Hazen will be appointed

GARFIELD'S ADDRESS

To the Members of the Electoral College-The Sovereign American

People Having Spoken,

He will Endeavor to Reflect Their Will National Prosperity.

CINCINNATI, December 3,—During the visit of the Ohio electors at Mentor, to-day, in response to an address of General Gros-venor in their behalf, General Garfield addressed them in the following language:
"I am deeply grateful to you for this call "I am deeply grateful to you for this call and for these personal and public congratulations. If I were to look upon the late campaign and its result merely in the light of a personal struggle and a personal success, it would probably be as gratifying as anything could be in the history of politics, the statute regarding perjury. Judge Lawrence says there may be some doubt whether the existing statute defining perjury is sufficiently broad to include all cases of corrupt and false swearing in affidavits used for value of the transactions of the campaign and its result merely in the light of a personal struggle and a personal success, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If processes, it would probably be as gratifying as anything could be in the history of politics. If the processes in Afghanistan. Seventy-five hundred bales of wool were sold to-day, chiefly New South Wales, Victoria and New Zealand. Conduct

is made in the existing statute relative to lost and destroyed bonds, authority ought at least to be given to require more than two sureties to a bond of indemnity.

REPORT OF THE SECRETARY OF THE NAVY.

saying, "Well?" Then the other fellow goes on with the conversation.

REPORT OF THE SECRETARY OF THE NAVY.

The annual report of Secretary Thompson is made pupile. The total gross amount available for the year was \$14,706,642; subject to deduction by surplus full title attention to the details of the real presidential election, and for a very significant reason. Although you and all the real Presidential election, and for a very significant reason. Although you and all the real Presidential election, and for a very significant reason. Although you and all the real Presidential election which was held year and about fael, the early winter caught thousands unprovided, and the position of the deduction by surplus full title attention to the details of the real Presidential election and for a very significant reason. Although you and all the real Presidential election and for a very significant reason. Although you and all the real Presidential election and for a very significant reason. Although you and all the real Presidential election which was held year and still real programme of the new finance minister comprises considerable reductions in the army and navy expenditures in the time of peace constitutional right to vote for any. The expenditures were 12,916,659, eleaving a balance unexpended in the suggested your choice, yet every American knew that the august soverage of the year of favorable settlement of the Chinese question diminish as negotiations are prolonged. As China and Russia since prolonged. As China and Russia since the programme of the new finance minister comprises considerable reductions in the army and navy expenditures in the time of peace of a favorable settlement of the Chinese question diminish as negotiations are prolonged. As China and Russia since the peace of a favorable settlement of the Chinese question diminish as a solution, it is hoped they will make equal concessions.

THE EASTERN QUESTION.

THE VOTE OF 1880.

A Table of the Complete Popular Vote for any and provided, was a operations the present fiscal year ending June 30, 1881, is \$15,005,061, and They had never yet found an American who They had never yet found an American was had failed to keep his trust as a Presidential elector. From this thought I draw this lesson, that when that omnipotent sovereign—the American people—speaks to any one the American people—speaks to any one different pre-arranged directions, so that a kind of ideal combination of the European fleet shall continue to exist. Russia has a duty. to act of June 17, 1878, so as to restore the American people-

to the President the authority to appoint ten cade midehipmen at large annually. Calling attention to the growing commercial importance of Central and South American States, where trade is likely to pass entirely out of our hands if prompt and vigorous measures are not taken to secure it, the secretary continues: "All that the nayy department can properly do to this end has been lone. I have deemed it my imperative public duty to send our ships of war into as nany of their ports as possible, with a view to enabling the authorities and people speaks to any one man, and orders him to do a duty, that man is under the most solemn obligations of obedience which can be conceived, except that which the God of the universe might impose upon him. Yesterday, through your vote and the votes of others in the various States of the Union, it is probable that the returns will show that our great political sovereign against the distribution by students of Gottengen university of Court-Chaplain Stoecking of those countries to understand that it is our desire to cultivate with that it is our desire to cultivate with presence, therefore, I stand, and am awed by them the most amicable commercial relations, the majesty and authority of such a command that both their own and ours would be mand. In so far as I can interpret the best the Greek question. thereby promoted. The products of South aspirations and purposes of our august sov-America which reach the Pacific coast can ereign I shall seek to realize them. You and

TO THE PEOPLE OF THE

GREATHOLIDAYSALE

Now is your opportunity to buy the greatest bargains ever offered in fine Ready-Made Clothing. We have on hand an enormous Stock, which we are determined to close out by January 1st. In every department in our mammoth store Men's Clothing, Boys' Clothing and Gents' Furnishing Goods will be marked down, regardless of the cost to manufacture. We prefer doing this than run the risk of carrying over a winterstock of One Hundred Thousand Dollars until next fall, almost a period of twelve months; besides we wish the public to be benefited. Everybody, both rich and poor, will be able to purchase clothing for little money.

We received yesterday 25 cases of Fine and Medium Clothing for our Grand Holiday Display. Those Goods are equal to the best merchant tailoring work. We invite everybody to call and see them.

238 Main St., near Jefferson.
